6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC plays active role in assuring quality in almost all processes and strategies of the college. The two such practices that have evolved significantly are:

1. The departments are continuously encouraged by the IQAC to organize seminars/talks by experts of various fields in respective subjects. The departments are also helped by the IQAC to select seminar topics. Under the umbrella of IQAC, organization of seminars for benefit of both students and teachers is a regular happening in the college. In this time of pandemic, the departments have organized many webinars with guidance and assistance from the IQAC and it has managed to host recordings of all these webinars on YouTube.

2. The career advancement of teachers is a mandatory exercise. This is directly related to the betterment of the academic ambience of the college. IQAC proposed a committee of able and senior teachers, and the college administration has endorsed the proposal. Now the committee checks the career advancement related documents, their organization etc. to make the applications flawless. The IQAC finally checks the applications before they are submitted. This exercise has drastically reduced the delays in career advancement of teachers of the college.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Human Values and Professional Ethics Values are our guidelines for our success—our paradigm about what is acceptable.

They form the basis for all our thoughts, behaviours and actions. We believe that our students need to understand the universality of various human values, to have a definite and common program for

value education. Only then can we be assured of a happy and harmonious human society.

Our institution aims to imbibe a strong sense of value and ethics which would eventually make our students not only better citizens but also amicable, well behaved and cooperative individuals to work with.

The teachers help them students to build emotional resilience (often through arranging lectures on relevant topics) on teaching of Vivekananda, Rabindranath and other such greatn personalities) so that they may emanate positivity even when faced with trying conditions.

Our efforts are always directed to ways and means so that our students may differentiate between the social conventions about right or wrong conduct and should be able to define, analyse, evaluate and resolve moral problems and develop moral criteria to guide human behaviour. Professional ethics are principles that govern the behaviour of a person or group in a business

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice -1

A. J. C. Bose College Employee's Cooperative Credit Society

Goal: The cooperative was initiated to provide ready financial assistance to the staff of the college as and when required.

The Context : The financial requirement (maximum Rs.500,000) of any staff can be met within a very short period of time without much formalities and also at a much lower rate of interest than any bank

or outside agency.

The Practice: An employee of the college has to make a one-time deposit of a fixed amount as share capital in the cooperative account. Additionally, the employee of the college has to deposit a nominal amount around Rs 500, every month as thrift fund and in turn becomes eligible to get a loan of maximum Rs 500000 which is payable by EMI (which is deducted from their salary account) over 90 months. The Cooperative is registered under the West Bengal Cooperative Registration Act and the accounts are audited every year by Govt. appointed Auditors. Evidence of Success :

Problems Encountered : The cooperative is run and maintained by the Board of Directors (who are employees including teachers and support staff , elected every 6 years). Due to constraint of academic activities the board of directors have difficulty in holding meetings on a regular basis.

Best Practice 2

Title of the practice : National Service Scheme (NSS)

Total number of awards being 13. The awardees are presented with a medal, a certificate and a small gift as a token of appreciation in recognition of their hard

work. The awards are handed over in a ceremony where the parents of all the awardees are invited. This resulted in a healthy competition amongst the students and eventually improve the overall university results for most departments. The awards are arranged from the Teachers' Council Fund which is accumulated by deducting a certain amount every month from the salary of all permanent teachers.
