“The highest education is that which does not merely give us information but makes our life in harmony with all existence” –**Rabindranath Tagore**

"Education is not learning of facts, but training of the mind to think." --**Albert Einstein**

Dear Students,

Take Warm Greetings. The year **2019** will be a special landmark of our college as we are going to start NCC unit under 2<sup>nd</sup> Bengal Battalion, Fort William, Kolkata. This NCC will enrich our college students with spirit of Nationalism and discipline. I am also glad to announce that in the last Golden Jubilee year 2018, we were proud **with the Education World's declaration** that **Achayra Jagadish Chandra Bose College** is among the top **thirteen colleges in Calcutta**. According to the Education World survey 2019, **we are ranked 15 among the Interdisciplinary colleges in Kolkata and we are elevated in ranking from 95 to 71 among all such colleges in India**. This recognition has been long due to this premier Degree College named after the celebrated Bengali scientist, **Jagadish Chandra Bose**.

Since its inception in 1968, the college has been relentlessly working in imparting quality education to the diverse group learners coming from different strata of the society. Our approach to education is holistic. We aim at all round development of the students coming from multidimensional structures of society to this college. Our motto is not to produce better professionals alone but also to craft better human beings as deserve by the society. We aim to educate young men and women within a framework of liberal and republican values to equip them to excel in the service of the nation. To achieve our objective class-room teaching is complemented with a wide range of co-curricular activities. Our educators impart knowledge as well as work as trainers in the gym of mind.

In pursuit of excellence in learning we maintain transparency in the admission process fully online where students need not require to physically appearing at college premises as opted by Govt. of West Bengal, which is a robust work culture and value discipline combined with freedom of thought and expression. We have able, experienced, dedicated faculty in the college to make our mission successful. The teachers are in the habit of maintaining a

great liaison with the students. They remain available within and without the college hours to assist the students in every possible way. We have a bunch of dedicated staff members in the office that go all out to help the students. We have a Governing Body with optimum functionality and the members always support the stakeholders in their pursuit of excellence in education.

We are the pioneer in the field of students' based education in colleges where each student has right to evaluate their teachers regarding quality based teaching and learning at end of each class and to sign the diary of teachers with comment of improvement if any. This will ensure regular teaching and learning which will help us in reaching a centre of Educational Excellence. Besides, students can be able to give fit back before the time of final examination. We also arrange teachers-students-guardians meet to communicate regarding the improvement and progress of students.

We are used to arrange Knowledge Exchange Programme with various reputed colleges in all subjects with skilled teachers in various disciplines. We are used to arrange Campus Recruitment Programme where various companies offer their job suitable for our students. In last year only Tata Group has selected 18 students with a very attractive salary packages.

Besides, we have arranged to offer our beloved students to participate in Free Employment Training in collaboration with the 361 Degree, An Institute of Competitive Studies. This programme will lead our students to enhance their skill in competitive examinations to obtain both central and state government job including campus recruitment examinations taken over by various companies and Banks.

The college has recorded an innumerable constant development in infrastructure of learning to recognize itself as an educational excellence. The college has started to construct its 2<sup>nd</sup> phase Building to solve the problem of class rooms which will be completed shortly. The college has a green campus with greenery plants and shrubs, modern canteen, clean drinking water supply in all floors with aqua guards, with 24 hours CC TV observation. Besides, the college has ICT class room, computer based Laboratory, N-listed Library, internet based IT Laboratory etc.

We have some shortcomings on the infrastructural front, but we are working day in and out to make up for that. We have installed different technological tools in the class rooms to create better learning environment. Very soon the college will have a new wing added to its existing facilities. The space crunch we have will soon be over.

Wishing you all the best

Dr. Purna Chandra Maity  
Principal

**VISION :**

The general vision of the college is to inculcate human values and rational spirit among its students and to offer quality education without making any religious or gender discrimination. The college aspires to fulfill the academic aspirations of pupils living in remote areas and belong to SC/ST/OBC and religious minorities. The main vision is to contribute higher education to the pupils of the society at large by helping to produce a generation of enthusiastic, socially conscious and responsible future citizens, devoted to a holistic purpose in life.

**MISSION :**

- To ensure the holistic development of the students of the college through our NSS unit which bridges the gap between the students and the people in the community.
- To establish the college as a premier educational institution in Kolkata and its surroundings.
- To impart quality higher education uniformly to all students irrespective of their caste, creed and gender with special consideration to backward sections, weaker sections and slow learners.
- To provide well-equipped modern infrastructural facilities to students in an environment conducive to learning with the help of our learned faculty and staff.
- To promote cultural & social integration through constant motivation with example teaching and learning.
- To make our students academically sound with multidimensional knowledge through special employment training and to make them fit for campus interview and other government jobs.
- To ensure students' centric learning with a priority given on students' needs and awareness.

## **OBJECTIVES**

- ❖ To provide teaching and learning in the field of conventional and modern subjects approved by the University of Calcutta with the purpose of promoting higher studies.
- ❖ To impart both theoretical and practical training in the field of education to develop appropriate skills among the learners.
- ❖ To provide opportunities to the students and teachers to expand
  - their knowledge base and quality development.
- ❖ To provide special care to the students who are educationally lagging behind.
- ❖ To organize self-development programs and placement facilities for the students after the completion of course.

## **INFRASTRUCTURAL FACILITIES :**

### **BANGLA BHASHASREE PRAKALPA:**

The College has launched a new scheme called “**Bangla Bhashasree Prakalpa**”, 1<sup>st</sup> time in West Bengal, for providing free Teaching and Learning course in Bengali Honours to enrich and to expand Bengali language among the Bengalee in West Bengal. We feel much proud as a Bengalee, but students are reluctant to take Bengali Honours as their career during this decade. Under this scheme, the students of this stream will get full free-ship during their full three years course of study with special tutorial classes.

### **LIBRARY FACILITIES**

The College has a Central Library with a rich collection of about 22,000 books. The Library subscribes 14 national journals, 12 popular science magazines and 6 daily newspapers. It also maintains a database of books in web based access. The Library offers lending and reading facilities, UGC - Internet facility and the U.G.C. INFLIBNET service to both Staff and Students.

- Working Hours 7 A.M. to 11 A.M - Commerce Section  
10 A.M. to 5 P.M. - B.Ed. and General Section.

- Each department has a Departmental (Seminar) Library for the use of students and teachers.

### **LABORATORY FACILITIES**

There are a number of well-equipped laboratories in the Department of B.Ed., Physics, Chemistry, Mathematics, Zoology, Botany, Physiology, Statistics, Computer Science and Commerce (I.T.)

**Classroom:** The College has well-illuminated and ventilated class rooms.

**Campus Beautification:** The College campus houses a number of plants, herbs and trees well maintained throughout the year.

### **Facilities to the Students.**

- Free Health Check-up programs are being organised throughout the year in the college.
- Purified drinking water facility.
- Canteen facility inside the college provides healthy food and beverages.
- Seminar, Debate, Quiz contest etc are regularly held for all-round development of the students.
- Cultural activities like dance, drama, recitation etc and social activities like blood donation camp, community outreach activities etc are organized throughout the year.
- Indoor and outdoor sports facilities.
- SC/ST cell supervises the welfare programs of SC/ST students.
- Career Guidance, Counseling and placement Cell organizes various skill development programs for the students, counsels them to pursue appropriate career options and assists them to get suitable jobs.
- Grievance Redressed Cell takes care of the grievances of the students and acts accordingly.
- Alumni Association of the college (AJCBCAA) is actively engaged in helping the development of the college on all spheres.
- Campus Recruitment programs are arranged by the recruit cell of the college. The various multinational companies and Banks are used to recruit our students each year. Last year only TCS selected our 18 students with a minimum salary package Rs. 2.8 lakh per year.

### **ATTENDANCE**

As per regulations of the Calcutta University, undergraduate students will have to attend a minimum of 75% of the class in order to be eligible to appear in the University examination as a regular collegiate student. The percentage of attendance is reported monthly and is also displayed on the notice board and college website.

If the percentage of attendance falls short of 75% but not below 65%, the students may be permitted to appear as a non-collegiate student on payment of the prescribed non-collegiate fee to the University. If the percentage of attendance is below 65%, the student becomes dis-collegiate and will not be allowed to appear in the University examination. The rules of attendance are subject to change as per C.U. circulars and notifications.

Students and guardians are to note this carefully that any relaxation in the above rules for reasons whatsoever is beyond the jurisdiction of the College authorities.

### **COLLEGE EXAMINATION**

The College holds Mid-Term, College Test and Internal Assessment during each academic session according to the Calcutta University norms. Attendance in all examinations is compulsory. Permission to appear at the University Examinations depends on the satisfactory results in the College examinations.

Continuance of the Honours course will depend on satisfactory results in Class Tests and College Examinations.

### **STUDENTS' COUNCIL**

There is a democratically elected purely **Non-Political Students' Council** in the college. This has possible only by the **Education Bill of Government of West Bengal** to make the college **free from political biasness and political hazards**. All regular students of the college are members of the Students' Council. It functions under a College Constitution which regulates the activities of the Council including election and formation of the Executive Committee of the Council. The Council is pledged to uphold the dignity and high academic ideas of the College. The Council organizes students' participation in all co-curricular activities for the promotion of fraternal relation and fostering corporate life under the guidance of the Principal. The Council generally organizes the Freshers' Day, Annual Social, Annual Games and Sports, Educational Excursions and other activities conducive to the general welfare and academic attainments of the students. The Council also takes the responsibility of publishing the College Magazine under the guidance of the teachers of the College. **Miss. Ruchi Sharma**, a bright student of English Honours is the **General Secretary** of the Students' Council.

### **GAMES & SPORTS**

All the games & sports activities of the college are regulated by the Games & Sports Committee. The committee coordinates the students' participation in various district and state level games and inter-collegiate sports activities in the field of athletics, football, cricket, chess, table-tennis etc. The committee also formulates plans and organizes the Annual Sports and Intra-College sports activities. **Dr. Tushar Ghosh, a teacher of Physics Department** is the **Teacher in charge** of Games and Sports of the College.

### **NATIONAL SERVICE SCHEME (NSS)**

A **NSS** unit was opened from the session 2005-06 in the college for integrating learning with the social upliftment of the underprivileged and downtrodden students. Any student can enroll his/her name in the scheme. The NSS unit of the college aims to undertake the task of spreading social

awareness to fight against various social evils, to remove illiteracy from downtrodden society and to solve various health problems in the society.

From this session of our college we have started **NSS Class** on every 2<sup>nd</sup> and 4<sup>th</sup> Saturday after college hours. Through regular classes and participating in different social activities, **NSS volunteers** can improve their awareness and skill in social service, create leadership personalities with good morale and able to make themselves as active good citizens. The certificate of NSS volunteers is treated as a **certificate of co-curricular activities with great academic values to enhance academic score in Job Market**. **Dr. Doly Saha, a teacher of Botany Department** is the coordinator cum councilor of the NSS.

#### **NATIONAL CREDET CORPS (NCC):**

A Senior Division NCC Unit (Male & Female) is going to be opened from this session 2019-20 under 2<sup>nd</sup> Bengal Battalion (NCC), Fort William, Kolkata. It is an army wing with three years courses in which intended cadets will have to appear NCC 'B' Certificate Examination after 2<sup>nd</sup> year and NCC 'C' Certificate Examination after 3<sup>rd</sup> year. After completion of NCC, cadets may get direct entry as officer in Indian Defense Services. It is a co-curricular activities where the cadets will get TA on the date of drill specially arranged on Sunday morning.

It is a great opportunity to develop a sound body and mind with development of character, discipline, leadership and morale through NCC activities. Prof. Koushik Das, a teacher in Mathematics of B. Ed. Department is the Care Taker Officer/ANO of NCC Unit.
