Proposal

Dear Sir/Ma'am,

Greetings!!!

I am Dr. Aseem Saxena, working as Vice Principal in Apollo International School, Ahmedabad. I feel very proud to introduce our group: Apollo Group of Institutions, consisting of 49 colleges in Ahmedabad. The group is in the field of academics since last 20 years. In 2016 the group started its school segment and at present we have 5 senior secondary schools, two affiliated with state boards and other three affiliated with CBSE. We also have six pre-primary schools in the city. We are coming with two more new campuses in Ahmedabad from January 2024.

More than 10000 students are learning in these schools with the help of 750 teachers. The school believes in the philosophy of **NO HOME WORK, NO BAGS & NO TUTIONS**. Remedial classes are organized for the needy students after the school hours.

The school is looking for young and energetic educators, who wish to excel in the academics. We welcome graduates/undergraduates in all subjects with or without experience to join our team.

The school offers initially Rs. 20000/- per month with twin sharing bachelor's accommodation to the fresher. The school will help the candidates to upgrade their educational qualifications, if the candidate wishes too. Higher start can be offered to the students with additional degree of B.Ed.

Salary is negotiable to extra-ordinary candidates.

A campus recruitment drive can also be done in your institution on mutual agreement, which I hope will be an added advantage for your present and past students too.

Ahmedabad is considered as one of the safest cities of India for women. The city is also well known for the Gandhi Ashram and many other things.

Please note, we are coming to Kolkata on 18th Feb & 19th Feb 2023, we will be happy if your students can walk-in between 8 am to 4 pm for the recruitment drive@:
