Industry Visit subsequent to NIIT Foundation's Free Training Program
Sponsors: ITC & NASSCOM

After almost a quarter of a year's strenuous and regular training in courses on Data Analytics and AI, conducted by NIIT Foundation, sponsored by ITC and NASSCOM, an industry visit of the trained students was arranged by NIIT Foundation on 22.02.2024 at **IIMI Direct**, New Town and **Marble Box Solutions**, Salt Lake and Kolkata. An orientation program was also organised at the ITC office, Kolkata, concerning "**Current IT Trends and Job Opportunities in IT Industry**", "**Resume Building and Interview Etiquette**", etc. Now, the trained students are in the process of being absorbed in different IT industries/concerns.

The college would like to acknowledge the efforts of NIIT Foundation, assistance and cooperation of ITC and NASSCOM for providing the students of our college with the huge exposure of IT industry, related job opportunities and the ways to prepare oneself in this regard.
