## **SYMPOSIUM ON ENGLISH AND FOREIGN LANGUAGE SKILLS**

Students of B.Com, B.A. and B.Sc. are cordially invited to attend a one day symposium entitled “Language Learning Skills for Global Professional Development” organised by Department of English, Acharya Jagadish Chandra Bose College in association with WOWL EdTech.

Union Education Group, London in partnership with WOWL EdTech, India has come together to impart quality English Language training in association with the British Council for a project with called Digital Learning Innovation Fund and have successfully implemented the pilot project in West Bengal.

Apart from English, they are introducing A1 & A2 (CEFR) modules for French, Spanish and German languages. All our foreign language classes are online and are taught by highly qualified native teachers, directly from UEG, London. They have high quality pre-recorded modules in English for Students and Teachers alike. The entire modules are a mix of self-access videos and live online classes to ensure best learning experience and outcome. The modules are delivered through a mobile app and desktop for ease of access and use.

Union Education Group, operating from Think Space, Imperial College of London, works with Schools, institutions and organisations in the UK and many other countries, creating bespoke Education packages and curricula. In India, UEG is collaborating with WOWL EDTECH to deliver customised world-class language programmes on its digital platform – WOWL APP.

They intend to conduct an interactive session with the students of this esteemed institution to make them aware of importance of learning languages to be a global student or working professional in future.

Interested students must note that there are limited seats. Hence prior online registration is mandatory. Registration is free.
