

REGISTRATION under NEP NOTICE

Session 2023-24

Date: 29.09.2023

All admitted 1st SEM students are directed to consult with the respective departments for getting registration of Calcutta University positively from 3rd October onwards positively. Before registration students are required to verify the documents through Departmental teachers and to include IDC subjects as well as to make any corrections in subjects/other documents if required. After submission of Registration no correction is possible.

So, students are directed to become very serious regarding their registration failing which they have to suffer mental agony throughout the college life for correction if any.

Principal
